FALL 2019

# Legacy Gardens Wrap Up

This summer marked another “first” for our congregation as we moved our summer outdoor worship venue from City Park to the Legacy of the Lakes Museum. The Legacy

Gardens proved to be a beautiful setting for our congregation and visitors alike to worship together in God’s creation. The energy and feel of our 10:00am Legacy Gardens worship was enjoyed by

many as we gathered together weekly to enjoy donuts, coffee, fellowship, God’s Word, and His creation. Thank you for being part of this exciting new worship experience!

*“... Behold, I am making all things new...”*  
Revelation 21:5

*“Thank you to the leadership team for the outdoor services this summer. I appreciate the energy, the atmosphere, and the messages. I don’t think I have ever felt so comfortable at church. I am excited to go to church and proud to share the experience with others.”*

## Pastors' Pen

---

In a world that seems to be constantly in motion, it is always good to pause and give thanks. When we do, we are reminded of the many blessings our God has given us and the abundance of joy and life that surround us. Here at First Lutheran, we too, are caught up in the perennial movement of life and the renewing Spirit of God that makes us new over and over again. When we pause to look around, it is clear that there are so many things for us to celebrate and so many reasons to give thanks to God. Here are a few...

*Summer Worship at the Gardens:* This past summer, we began a new worship service at the Legacy Gardens. Through the help of many dedicated volunteers, this new worship service has gathered people of all ages, rain or shine, to experience and know the presence of God in our lives. Those who had a chance to join us were welcomed with radical hospitality and sent with renewed spirits.

*Our New Church:* On July 26, a large group of people gathered to move into our new space. We did two days of work in just a few hours! On the 11th of August, we transitioned from our Douglas

Street Property to the new church on 18th Avenue. Hundreds of faithful members gathered for worship that began in the old church and processed by car to the new church to finish the service.

*The People:* At the core of all that we do are the people of First Lutheran who come together in the name of Jesus. We are so grateful for our wonderful staff who are gifted and kind and here to serve. We give thanks for the members of this congregation, past and present, who have given of themselves for the sake of all that God has called us to be and do as the people of First Lutheran. What a joy it is to be the church together! Thank you for all you do.

As we look forward we know the year ahead will be full of change and excitement, but as we pause, we remember that it will also be built on the same foundation as the generations before us, gathering together to worship, to learn, and to serve in the name of the one who has called us his own. The old, the new, and everything in between, rests on Christ's promises for salvation and life. For that, we celebrate and give thanks.

Blessings,  
Pastor Greg, Pastor Kari, Pastor Ben

## On Our Way Rejoicing

*This historic event marked the last worship service at Douglas Street and our first worship service at our new church home.*

Well over one thousand people gathered to honor our time as a congregation at the church on the corner of 9th and Douglas Street, a church that was full of memories and a rich history and a place that had been our church home for over 70 years. It was a day that will be remembered for years to come. There was standing room only as hundreds of members and friends of First Lutheran squeezed into every available space for the last time. We sang classic hymns and gathered around God's Word as we have so many times before. Members and pastors prayed together and asked God to bless our memories and the

ministry we have shared together over the years. We picked up our hymnals and all the items from the church such as the cross, Christ candle, and paraments and departed singing, *On Our Way Rejoicing*. Next, we got into our vehicles and formed a procession to our new church home. There, we celebrated with communion and placed ourselves and this new chapter in First Lutheran's history into God's faithful hands. After worship, the congregation enjoyed a delicious picnic, fellowship and spent time enjoying our new facility.

# Faith Engagement

*Saturday, Aug 24 - Sunday, Sept 30*

As we transition from an amazing summer to a fun-filled fall, we pose the question: where will faith and life meet for you this season? This summer's worship at the Legacy Gardens is a perfect example of the amazing things that happen when we come together to serve, learn, and worship alongside one another. It takes dozens of people sharing their gifts of music, hospitality, and service to create such an incredible worship experience. Yet, this is only one example of the fun we've been having as we fellowship together. Nearly every day, First Lutheran members gather to serve together! Whether it's through bible study, baking, bus driving, youth programming, singing, or playing an instrument, the opportunities are endless

and we want you involved! This year, our Faith Engagement sign-up campaign (formerly Time and Abilities) will launch mid-August and will run through the end of September. Whether you've been a member at First Lutheran your whole life, or you've just recently joined, we want you in on the fun! Go ahead and try something new, we're all learning here! You can find the Faith Engagement form on our website, at the welcome center, or with the ushers at service. You'll notice the form is short and sweet, and that's because we want to connect with you further. Simply indicate the areas you're interested in being involved or learning more about, and someone from our team will be in touch with you!

# Christmas Store

We have appreciated your support of the Children's Christmas Store for the past 20 years. Because of our move to the new church building, the Children's Christmas Store will NOT be taking place this year as we re-evaluate and reimagine it in our new space.

On our way rejoicing;  
as we forward move,  
hearken to our praises,  
O blest God of love!

# MEMORIALS & HONORARIUMS

*Memorial gifts are a meaningful way to convey sympathy to the bereaved and acknowledge the loss of a loved one. They are another way that we give thanks to God for the ways we have been blessed. Gifts may be designated to a particular fund or left undesignated, which allows them to be used for special projects and areas of greatest need.*

## **SUNDAYS**

8:30AM | TRADITIONAL WORSHIP

Our Sunday morning traditional worship service includes classic hymns and songs set within a more traditional order of worship. Our Chancel Choir, Bell Choir, Kids Choir, and other musical ensembles add additional flavor and depth to the service on a rotating basis. Holy Communion is served the 1st and 3rd Sundays of each month.

10:00AM | CELEBRATION WORSHIP

Our Sunday morning Celebration worship service includes liturgical elements, yet offers present-day music of faith from inspiring composers alongside fresh renditions of classic hymns and songs. A worship team leads the music, and other music ensembles provide special music offerings. Holy Communion is served the 1st and 3rd Sundays of each month.

## **WEDNESDAYS**

4:45-6:00PM | MEAL

6:15PM | CONTEMPORARY WORSHIP

During our Wednesday night worship, we strive to be a retreat in your busy week with contemporary worship for all ages. Worship follows a creatively liturgical format and is led by a worship team of youth and adults.
