Before School Care

Community Preschool offers before school care daily for students attending our morning classes. Students may be dropped off as early as 7:15am for a fee of \$5 per time. There is a sliding fee after 7:30am. This can be used on an as needed basis. No previous notice necessary.

Please read carefully, sign and date,

There is a \$50 registration fee per student per class registered. Instead of asking for families to provide supplies to the preschool we ask each family to pay a \$50 supply fee for each class.

I understand that when my child is registered in a class(es), my registration fee(s) along with the first month's tuition are due upon registration and are non-refundable. If the full payment due is not paid at the time of registration or arrangements have not been made with the Director, I will be forfeiting my registration at Community Preschool. I agree to notify Community Preschool as soon as possible if my plans change. I also understand that due to enrollment numbers, classes may be combined, or other options will be made available.
